

## Clean Up the Mold :30

Announcer

Hey parents of children with asthma, here's another hit from the Breathe Easies.

Singing

Come on and clean up the mold  
Clean up the mold  
Mold can trigger asthma in kids young and old.  
Come on and clean up the mold  
Clean up the mold  
In your house.

Announcer

This song may be fun, but childhood asthma is not preventing asthma attacks may be as simple as cleaning up the mold and mildew in your house. For more Breathe Easie tips to help stop asthma attacks go to [noattacks.org](http://noattacks.org)  
Brought to you by the EPA and The Ad Council.
